

“Spaghetti” is the story of...

- A boy who makes a friend
- A boy who trapped himself in his own thoughts until he finds a cat who represents his feelings and his thoughts. This opens up a new world for him.
- a boy who thinks so deeply into his thoughts that he almost did not hear a cat crying.
- A boy who takes things so seriously
- a boy who finds hope.

“Spaghetti” by Cynthia Rylant is the story of a lonely boy who is trapped in his own thoughts, oblivious to the world around him. By letting a cat come into his life, he is able to find hope and not be lonely anymore.
